Payments At Wollaton Dental Care.

We are happy to accept payments by cash and all major credit and debit cards.

Patients are asked to pay for treatment received on the day.

In some circumstance we will ask for a deposit for planned treatment.

If you would like to find out more details about our care plans to spread the cost of your dental care into monthly direct debit payments, please visit the pricing page of our website.

For NHS patients that are exempt from payment, proof of exemption is needed to complete the necessary paperwork.

If you have any concerns over any payments please ask a member of staff who will be more than happy to help.
