

Qualified Dental Nurse – Private Independent Practice

Competitive rates of pay | Full-time or part-time | Flexible working patterns | No weekends

Are you a qualified dental nurse looking for a practice where you can feel valued, develop your skills and become a genuine part of the team? We are looking for a **GDC-registered dental nurse** to join our friendly and established team in our modern, independently owned five-surgery private dental practice. This is a **brand-new position created because our practice is growing** – you are not replacing somebody who has left.

We would ideally like someone to join us five days a week, but we know that the right working pattern is important. We are therefore very happy to consider **part-time applicants and flexible sessional working** for the right person.

Pay & Leave

- Competitive hourly pay
- 30 days' annual leave including bank holidays
- All eight bank holidays paid regardless of working days

Healthcare & Fees

- Private medical insurance via Vitality Healthcare
- Free essential dental care for you and your dependants
- GDC registration and indemnity paid

Flexible Hours

- Full day: 7:40am–6:30pm
- Morning: 7:40am–1:30pm
- Afternoon: 1:00pm–6:30pm

Development

- CPD costs supported and paid
- Investment in training and professional growth
- Long-term career opportunities

About the Practice & About You

We are an established five-surgery private dental practice with a stable team and a strong focus on delivering an excellent patient experience. You will work alongside our clinicians as part of a close knit team of dental nurses, front of house colleagues and managers. We believe that excellent dentistry depends on people working well together. Dental nurses are an exceptionally important part of both our clinical team and the patient journey, from a patient's first visit through to the completion of their treatment.

What We're Looking For

- Qualified dental nurse, GDC registered
- Proud to deliver excellent patient care
- Professional, reliable and well organised
- Calm and positive during busy days
- High standards and good attention to detail
- Keen to continue learning and developing
- Looking to settle and build a long-term career

What Makes Us Different

We are looking for the **right person to become part of our team**, rather than simply someone to fill a vacancy. Our practice offers a modern, newly renovated working environment with well-organised surgeries and high clinical standards. You will benefit from supportive leadership, clear communication and genuine opportunities to broaden your dental nursing skills and responsibilities.

No weekend working, a permanent role within a growing independent practice, and a friendly, stable team make this an exceptional opportunity for a dental nurse ready to invest in their career.

Apply today and tell us a little about yourself, the hours you are looking for and what matters to you in your next dental nursing role. The successful applicant will be required to complete the appropriate DBS checks.
